

The future is BHP Billiton Energy Coal SA.
The future is yours.

At BHP Billiton, we recognise that our people are the foundation of our business and the key ingredient for our success. We are clear that to prosper, we must work through people who share our vision and our values.

BHP Billiton Energy Coal South Africa (Wolvekrans Colliery, Middelburg Colliery, BECSA Coal Processing, Klipspruit Colliery and Khutala Colliery) is one of the largest producers of energy coal in South Africa and operates collieries in the Witbank/Middleburg/Ogies area of Mpumalanga, with the aim of realizing its vision of being BEST IN CLASS.

BHP Billiton - Academy

BECSA Maintenance and Underground Mining Learnership

Ref: 81638

A personal motivation for self improvement together with attitude and commitment towards learning is critical for success in these developmental roles. If you are able to demonstrate work readiness and emotional strength, you may find your career path starting here. Your key role to high performance will be that you comply with BHP Billiton code of conduct, the Charter and HSEC Standards.

Your driving aim during this program will be to develop and successfully qualify as an Artisan in various trades, such as Millwright, Electrical, Plater/Welder, Fitting, Diesel Mechanic, Auto Electrical, Rigger/Ropesman and Instrumentation or alternatively opt to develop yourself as a Learner Underground Miner.

Serious contenders will have N3 Technical or a Grade 12 with Maths and Science. Having a Code B driver's license will be an added advantage. Assessments based on the job requirements will form part of the selection process.

Please forward your CV, quoting reference number 81638, to rhone@adcorp.co.za or fax: 0866 100 400.

Applications close: 04 November 2011

BHP Billiton has an overriding commitment to safety and environmental responsibility.
